The Reincarnation of Edgar Cayce?: Interdimensional Communication and Global Transformation
Wynn Free, David Wilcock

Wynn Free explores the remarkable parallels between the work of David Wilcock and the legendary Edgar Cayce while he builds a convincing case that the two men shared the same source of prophetic information and that Wilcock might indeed be Cayce's reincarnation. Compiling some of Wilcock's most inspirational and life-transforming prophetic guidance from his channeled Source, this book conveys profound insights into topics such as earth changes, secret cabals, soul evolution, death and reincarnation, ascension, crop circles, and the theory of evolution. Explaining how energetic increases occurring in the Sun and planets can have scientifically-measurable, far-reaching effects in a number of realms, *The Reincarnation of Edgar Cayce* presents new evidence that this energy can transform DNA, potentially making ESP, telekinesis, levitation, and other paranormal activities as common as breathing and usher in the Golden Age promised by every major spiritual tradition in human history. Readers will come away with a deeper understanding not only of the life and work of both Wilcock and Cayce, but with a broader sense of the many forces—seen and unseen—at work in the universe today.
