## **HELPING THE DISABLED: The Individuals with Disability Education Act** Beverly Lyles

For more than 30 years Congress has been enacting laws to help the disabled, but the carry-through of the orders by the states has been troublesome. This book contains updates to both Federal provisions and California state laws in particular. Although this is meant to be a legal reference guide to the IDEA laws, it is also explained in plain language so that everyone and anyone involved in an IEP can be on the same page. The author provided legal document and disability advocacy to individuals for over 12 years, and brings this research and practice to a wide audience.
