História do Direito (Portuguese Edition)

Marcus Vinicius Ribeiro

História do Direito (Portuguese Edition) Marcus Vinicius Ribeiro

Este livro é fruto das anotações de aulas de História do Direito. Nele são feitas observações com intuito didático e sem pretensão de aprofundamento científico de cada assunto tratado. Trata-se de mero resumo do direito vigente em cada época e em cada local, com algumas observações. O objetivo da obra é apresentar uma introdução aos sistemas jurídicos da sociedade no decorrer dos tempos. O direito é abordado como um fenômeno histórico, que se modifica conforme as forças que atuam sobre ele. Foi a forma encontrada pelo homem para a organização da sociedade. O estudo da história do direito é importante não só para a informação de como a sociedade era organizada no passado, mas, principalmente, para dar respostas aos problemas presentes e projetar as possibilidades do futuro.
