It's amazing how quickly life can change. Overnight, Monica Crawford finds her neatly organized world turned upside down. Her sister abandons her blind son, Scotty, leaving him on Monica's doorstep. Caring for a handicapped child brings unexpected conflict-but unexpected joy as well. When John French volunteers to tutor Scotty, he finds himself irresistibly drawn to Monica. But John and Monica are very different. She is a strong believer, determined to live her life for Christ. John is an agnostic who wants nothing to do with God. Will John see the light? Will Monica realize that sometimes letting go of a dream is the way to achieve it? Only in full surrender will either of them be happy- whether they end up together or alone.
