'You're in danger of dishonoring the family name for good!'

Lady Claire must put pride above prattle if she is to shake off the not-so-respectable reputation of her youth. Swapping rebellion for reserve, she returns to her imposing childhood home, Castonbury Park, seeking her family's help. Penniless Claire needs a sensible husband...and fast!

But when the dark gaze of head chef Monsieur André catches her unwanted eye, he's as deliciously tempting as the food he prepares. Claire knows he's most unsuitable...even if the chemistry between them is magnetic. Risking her reputation for André would be shameful—but losing him could be even worse!
