Bestselling Author's New Series Delivers Romance and Adventure as an SAR Team Searches for Others--and Finds Themselves

Search and rescue pilot Kacey Fairing is home on leave in Mercy Falls, Montana, twelve years after she joined the military to escape the mistakes of her past. With a job waiting for her as the new lead pilot of Peak Rescue in Glacier National Park, Kacey hopes to reconnect with the now-teenage daughter she sees only between deployments. What she doesn't realize is that someone else is also back in town.

Ben King has been building his country music career since the day Kacey shut him out of her life. Now all of that's on hold when his injured father calls him home to help run Peak Rescue until he's fully recovered. It doesn't take long, though, to discover his father's ulterior motives as Kacey Fairing walks into the house and back into his heart.

With Mercy Falls in a state of emergency due to flash floods, Kacey and Ben are forced to work together to save lives. But when floodwaters turn personal, can they put aside the past to save their future?

Gene Conley:

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Wild Montana Skies (Montana Rescue) can make you truly feel more interested to read.
