Apologia Cristiana (Spanish Edition) Editorial Universitaria Libertad

Con este nuevo énfasis -contar con una presentación de la fe cristiana eficaz y fiel- se recupera un recurso que había quedado olvidado: la Apologetica. Como en cien años, ha llegado el momento de que la Apologetica puede lucirse en el gran baile de palacio. Es verdad que muchas veces la jerga Apologetica ha sido difícil de entender. En muchas ocasiones, para lo único que sirve es para permitirles a los expertos esconderse detrás de sus complicados términos. Así que la Apologetica corre el peligro de caer, paradójicamente, en la inutilidad. Pero debemos usar este recurso. Consiste en un área bien definida del ministerio relacionado con la evangelización, pero por otro lado, es distinto a la evangelización. La Apologetica es un tipo de pre-evangelización, algo que prepara el terreno para que la evangelización pueda tener lugar. Veamos cómo. La palabra griega apologia quiere decir, como es bien evidente, una defensa o una razón para creer o hacer algo. Se usa esta palabra con este sentido general en 1a Pedro 3:15, donde se nos apremia a los cristianos a estar preparados para presentar defensa (apologia) de la esperanza que hay en nosotros. La Apologetica consiste en defender nuestra fe ante aquellos que nos demandan razón de ella. Consiste en persuadir a la gente de que el cristianismo tiene sentido."
