## **Forgive and Forget: Dreamspun Desires, Book 7** Charlie Cochet

He's hot. He's dangerous. And he can't remember anything.

As the owner of Apple'n Pies, Joe Applin leads a quiet, uneventful life, content to spend his days serving customers who come from all over to eat his delicious homemade pies. Along with his motley crew - Bea, Elsie, and Donnie - Joe couldn't be happier in his little kingdom of baked goods and java.

Experience has taught Joe that love is overrated - and at times dangerous. He has no intention of repeating past mistakes. But then he meets a mysterious, handsome man with amnesia, and Joe can't deny something sweet is in the works. He isn't one to take risks, not with his heart and certainly not with his life, but the more time he spends with the man he knows as Tom, the closer he is to losing both.
