My Vampire and I Vol 6 (Volume 6) J.P. Bowie

Blood Lust A demon assassin is sent to destroy Marcus Verano and his loyal friends - both human and vampire, but his plans are thwarted when he falls under the spell of the blood lust cast by Andrew Berés - vampire. Tommy Cordain and his vampire lover, Andrew Berés, have been living together for several months. For obvious reasons Tommy has kept his relationship with Andrew as much of a secret as he can, especially among his fellow fire fighters. But when a vengeful demon invades their lives, taking over Tommy's body and lusting after Andrew, all that changes. Lord Kardis, the ruler of the Underworld, is out to exact revenge on Marcus Verano and his friends for foiling his plan to take over the world through a demon Pope. He sends Dakar, his right hand man, to kill Marcus and any vampire allied to him, but Dakar's plans go awry when he meets Andrew and decides to do that which is forbidden - mate with a vampire. Disgraced, his thoughts of revenge now include Lord Kardis himself, and he raises an army to overthrow Kardis, then defeat Marcus and claim Andrew for his own. But Dakar has reckoned without the combined forces of Tommy and his vampire and human friends who will stop at nothing to defeat Dakar and his demon horde.

Blood Talisman A thousands years old artefact is said to possess the power to reverse time and immortality—but is the price of that power too high to pay? Several months after Dakar's demon army was defeated and Dakar killed in the conflict, Andrew Berés is still haunted by the memory of Dakar telling him there is a talisman that would reverse his immortality and allow him to live a normal life with his lover, firefighter Tommy Cordain. Despite Master Vampire Marcus Verano's doubt that the Talisman of Ardocan actually exists, Andrew is determined to find the truth of it once and for all. His obsession leads him, Tommy, and their vampire friends on a journey to the ancient ruins of Babylon and to the remains of an underground city—the City of Ardocan—where legend has it, the Talisman is buried, its secrets hidden from eyes and minds for thousands of years. But danger from enemies and traitors, both human and demonic, is never far away in the war ravaged country of Iraq, and Andrew may find out that the price he has to pay in order to obtain the Talisman, is greater than he had ever dreamt.
