POP(Poet of Peace)

This book of poetry is unlike anything you have ever seen because for the first time in decades an artist has elected to bring scripture, poetry, and art illustrations into a happy marriage; making this book more than just a good read. In this book of poetry, POP has elected to take on the hearts of the broken hearted and provide them with encouragement and power. This power derives from the ultimate source of power and enlightenment, the Holy Bible. For persons who find themselves in having to tackle and triumph over what may seem like insurmountable odds, POP offers a word of encouragement to carry you through your battle. And this is why the book is expected to make a big splash in the sea of new authors attempting to break ground! POP is confident that this work, some are calling a poetry bible, which is a must-have for admirers of creativity, revelation, poetry, and certainly a believer. This book is not only meant for believers but also a tool to relate to those who have not yet known the compassion and tonality of Christ! The graphics POP utilizes in this masterpiece alone say a thousand words. You don't have to be a scholar or one who knows the Bible to be able to understand the down to earth teachings of POP.
