Explorations in Art and Technology Linda Candy, Ernest Edmonds

Explorations in Art and Technology presents the explorations in Art and Technology of the Creativity & Cognition Research Studios. The Studios were created to bring together the visions and expertise of people working at the boundaries of art and digital media. The book explores the nature of intersection and correspondence across these disciplinary boundaries, practices and conceptual frameworks through artists' illustrated contributions and studies of work in progress. These experiences are placed within the context of recent digital art history and the innovations of early pioneers.
