Feel Your Heart and Follow Your Feet Ellie Blair

Ellie Blair worked with the Native American Tiwa Tribe in Taos, New Mexico for 14 months and lived in Taos for 12 years. Her journey began after a conversation with a complete stranger at the Mind Body Spirit show in London in 1996. The stranger explained that the source of the most wonderful Silver and Turquoise jewellery was from the Tiwa Tribe in New Mexico. This book is a travelogue of sorts but more than that, it's a story about walking towards the unknown without fear and it is a memoir of an unforgettable life in which the author was able to embrace each and every unexpected opportunity that came her way including becoming a radio broadcaster and piloting hot air balloons. She hopes this book will inspire others to follow their heart as she did.
