After she's hit by lightning at a wedding, twelve-year-old Lilah Bloom develops a new talent: she hears dead people. Among them, there's her over-opinionated bubby Dora; a comically prissy fashion designer; and an approval-seeking clown who livens up a seance. With Bubby Dora leading the way, these and other sweetly imperfect ghosts haunt Lilah through seventh grade, and help her face her one fear: talking to and possibly going to the seventh-grade dance with her big crush, Andrew Finkel.
