## **Star-Spangled Men: America's Ten Worst Presidents** Nathan Miller

Picking America's best presidents is easy. George Washington, Abraham Lincoln, and Franklin D. Roosevelt usually lead the list. But choosing the nation's worst presidents requires more thought. In *Star-Spangled Men*, respected presidential biographer Nathan Miller puts on display those leaders who were abject failures as chief executive. With pointed humor and a deft hand, he presents a rogues' gallery of the men who dropped the presidential ball, and sometimes their pants as well.

Miller includes Richard M. Nixon, who was forced to resign to escape impeachment; Jimmy Carter, who proved that the White House is not the place for on-the-job training; and Warren G. Harding, who gave "being in the closet" new meaning as he carried on extramarital interludes in one near the Oval Office. This current edition also includes a new assessment of Bill Clinton -- who has admitted lying to his family, his aides, his cabinet, and the American people.
