Take My Spouse, Please: How to Keep Your Marriage Happy, Healthy, and Thriving by Following the Rules of Comedy Dani Klein Modisett

In love as in comedy, timing is everything. One bad night doesn't mean it's time to quit. Have patience: great marriages, like a successful comedy career, take time. Turns out the cardinal rules of comedy have an uncanny resemblance to the "rules" of building a strong marriage. With humor and grace, writer and comedian Dani Klein Modisett shares a map for navigating your marriage through rough patches, bad jokes, and even nights when you bomb.

Take My Spouse, Please shows how thirteen tried-and-true rules of comedy, when applied to marriage, keep you and your spouse connected, enjoying each other, and getting through those inevitable tough times. Bottom line: there is (almost) always room to laugh at a trying situation and, more important, with each other.

Along with anecdotes from well-known comedians, comedy writers, marriage counselors, and long-term spouses, Dani delivers the core premise: humor matters.
