John O'Hara

**Ten North Frederick (Penguin Classics) John O'Hara**

**The National Book Award–winning novel by the writer whom Fran Lebowitz called “the real F. Scott Fitzgerald”**

Joe Chapin led a storybook life. A successful small-town lawyer with a beautiful wife, two over-achieving children, and aspirations to be president, he seemed to have it all. But as his daughter looks back on his life, a different man emerges: one in conflict with his ambitious and shrewish wife, terrified that the misdeeds of his children will dash his political dreams, and in love with a model half his age. With black wit and penetrating insight, *Ten North Frederick* stands with Richard Yates' *Revolutionary Road*, Evan S. Connell's *Mr. Bridge* and *Mrs. Bridge*, the stories of John Cheever, and *Mad Men* as a brilliant portrait of the personal and political hypocrisy of mid-century America.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*From the Trade Paperback edition.*
