The Fire and the Rose: The Wedding of Spirituality and Sexuality [Paperback] Bud Harris

Our encounters with love, spirituality, and sexuality play a major role in shaping who we are. These powerful aspects of our lives are woven into the pattern that forms our potential for wholeness. Through growing consciousness, sexuality and spirituality can support our efforts to live more passionately and to understand love in all of its forms. In this stimulating and inspiring book, Jungian analyst Bud Harris, Ph.D., challenges us to reconsider our views of spirituality and sexuality as opposites and bring them into harmony and creativity. Together, we can heal one of our culture's great wounds of the soul.
