Time Present, Time Past: A Memoir Bill Bradley

During his terms in the U.S. Senate, Bill Bradley won a national reputation for thoughtfulness, decency, and a willingness to take controversial positions on issues ranging from tax reform to the rights of Native Americans. All these qualities inform this best-selling memoir, in which Bradley assesses his political career and the experiences that shaped his convictions, and looks beyond them to consider the state of the American union on the eve of the 21st century. **Time Present, Time Past** offers an intimate portrait of the day-to-day working of the Senate: how legislation gets passed and sometimes thwarted; how money is raised and at what cost. But Bradley also writes about deeper questions: What does it mean to be an American in an age of dwindling opportunities and increasing inequality? How much can we expect from our public servants? What do we owe our fellow citizens? The result is a genuinely revelatory book, informed by intelligence, compassion, and unprecedented candor.

"Strikingly reflects the realities of modern politics, what it looks like, feels like, from the inside."--New York Times Book Review

From the Trade Paperback edition.
