Le ali della farfalla (Italian Edition) Cantiello Mariaelena

Le Ali della Farfalla, nasce con l'intento di indirizzare più donne possibile verso un percorso meno impervio di quello che la scrittrice del libro ha dovuto affrontare per dare un nome ai propri disturbi di salute:

CISTITE INTERSTIZIALE.

Il contenuto è ricco di informazioni preziose, atte ad evitare inutili e dannosi percorsi che lei stessa avrebbe voluto schivare, alternando capitoli tecnici "inevitabili", ma certamente utili alle donne che condividono queste problematiche, alla sua storia autobiografica, descritta con emozioni, fantasia, autoironia, in un susseguirsi di forti trepidazioni che la scrittrice non è più riuscita a contenere, dando libero sfogo al fiume in piena che in lei scorreva.

Un fiume che vorrebbe sfociare nel mare, perché anche una goccia nel mare è importante.

Dalla diagnosi all'accettazione della malattia, dal buio che ha tentato di oscurare la sua vita, alle strategie messe in atto per combattere con una malattia rara e che sente di dover condividere con le tantissime donne che ancora non hanno capito che cosa le affligge.
