Regreso a Galápagos. Mi viaje con Darwin (niberta / Cuadernos Livingstone) (Spanish Edition) Jordi Serrallonga Atset

Las Islas Galápagos son el sueño de todo viajero apasionado por la Historia Natural. Hoy, tras la celebración del Año Darwin 2009, el nombre de estas islas ha adquirido mayor dimensión pues Darwin y Galápagos son, como Galileo y el telescopio, o Newton y la manzana, un tándem mítico e indisoluble. Tortugas gigantes, iguanas marinas, pinzones, lavas y volcanes, idílicas playas de arenas blancas... acompañan al autor en su apasionante viaje tras los pasos de Darwin. El regreso conjunto de los dos naturalistas a las Galápagos nos abrirá una ventana en el tiempo para resolver el misterio de los misterios: la génesis de la vida.
