Song of the Heart: Walking the Path of Light Francine Vale

"Francine's life story explores dimensions of time and space, the apparent as well as the unseen world, higher angelic realms composed of crystalline purity, frequencies of love and wisdom, as well as lower frequencies of self-serving human behavior, all existing simultaneously in the great oneness of creation and experienced in this thing we call "Life". From broken-glass-strewn streets of the East Bronx to an astounding revelation of the Structure of All That Is, we learn eventually that it is the soul, the part of God, All That Is, which resides within each of us, that drives our longing for peace and love. All we have to learn, regardless of which path we choose to express our unique gifts or where we are placed on the planet, is how to love one another. We learn, through the unfolding of Francine's life experience herein shared for the higher purpose of uplifting humanity, how imperative it is to love one another. Once this simple truth is learned, as "Song of the Heart" reveals, peace on Earth will prevail. A life lived and a story told for this purpose." website: francinevale.com
