The Monarch's Progress: Poems with Wings

Avis Harley

The Monarch's Progress: Poems with Wings Avis Harley

A masterful collection by the author of *Fly With Poetry* and *Sea Stars*. Why are butterflies so universally loved? Is it the dazzling colors in exquisite winged art? Is it our reaction to amazing feats of flight? Is it the miracle of change that fascinates us—that wonderful metamorphosis from tiny egg to brilliant insect? Avis Harley explores these questions and the many others that have captivated humans throughout history. Eighteen structured poems—haikus, tanka, sonnets, villanelles, and other forms—examine how monarch butterflies taste with their feet, migrate 2500 miles every year, and cover entire forest groves when they rest. A Small Matters section at the back explains the fact and science in the poems refer.
