What drives a young London librarian to board a ship to India, meditate in a remote cave by herself for twelve years, and then build a flourishing nunnery in the Himalayas? How does a surfer girl from Malibu become the head of the main international organization for Buddhist women? Why does the daughter of a music executive in Santa Monica dream so vividly of peacocks one night that she chases these images to Nepal, where she finds the love of her life in an unconventional young Tibetan master?

The women featured in *Dakini Power*—contemporary teachers of Tibetan Buddhism, both Asians and Westerners, who teach in the West—have been universally recognized as accomplished practitioners and brilliant teachers whose life stories demonstrate their immense determination and bravery. Meeting them in this book, readers will be inspired to let go of old fears, explore new paths, and lead the lives they envision.
