## **El Parapeto (Spanish Edition)** Francisco Nieieza

Un anciano rememora su infancia y su juventud. Mientras lo hace piensa en escribir un libro. En él reflejaría los pensamientos que sus recuerdos le producen. Sin embargo, como ya ocurriera en su juventud, los ruidos e interrupciones de la vida cotidiana se lo impiden una y otra vez. A pesar de ello, el lector ha leído algo. El libro, como por arte de magia, está y no está al mismo tiempo.

Escrito según la técnica del flujo de conciencia. Un fluir del pensamiento en estado puro. Una innovación formal con un fondo atemporal. Esta técnica nació en el siglo dieciocho en Alemania y culminó en el siglo veinte con el Ulises de Joyce.
