**Motivation and Leadership At Work** Richard Steers, Lyman Porter, Gregory Bigley

Intended to be of use for upper-level and graduate courses offered either in management or psychology departments, this work provides an analysis of major contemporary theories, research and applications in the area of motivation and work behaviour. As in previous editions, this volume introduces the core topics, reviews several prominent theories, discusses specific topics and concludes with a summary. Topics new to this edition include cross-cultural influences, "high involvement" management and learning organizations.
