Paul Meets Muhammad: A Christian-Muslim Debate on the Resurrection Michael R. Licona

The resurrection of Jesus: fact or fiction?

Imagine a crowded arena full of Christians, Muslims, and curious onlookers packed in to hear the outcome of one of the greatest debates in all of history. If Jesus didn't rise from the dead, Christianity is false. But if Jesus was resurrected, Christianity is true and Islam is false. The stakes are high.

Paul Meets Muhammad imagines a futuristic face-off between two religious heavyweights, each speaking on the validity of their doctrines, forming arguments and rebuttals while citing evidence from the Qur'an and the Gospel accounts. Intriguing and entertaining, this page-turner uniquely offers a comprehensive defense of Jesus's resurrection and of Christianity itself.

"Paul Meets Muhammad entertains and educates the reader with an ingeniously crafted debate that is fair to both sides. If you are a Christian looking for a resource on how to share your faith with your Muslim friend, look no further."--D. James Kennedy, chancellor, Knox Theological Seminary

"In a day of heightened awareness of Islam in the West, it is vitally important that Christians know how to give an answer when asked by a Muslim for the hope that is in us."--William Lane Craig, research professor of philosophy, Talbot School of Theology

"Licona has found the most unique manner of approaching Islamic evangelism that I have seen in quite some time. I cannot give this work a higher endorsement. This book can change lives."--Ergun Mehmet Caner, dean, Liberty Theological Seminary; co-author, *Unveiling Islam*

Michael R. Licona (Ph.D. cand., University of Pretoria) is director of apologetics evangelism at the North American Mission Board of the Southern Baptist Convention and the co-author of *The Case for the Resurrection of Jesus*.
