Is it time to have a CONVERSATION with your aging parent? Nobody likes having difficult conversations. In fact, most of us avoid them. If you are faced with having a conversation about aging with your parents, this book is for you. Avoiding the conversation and not planning for the future of your aging parents will only cost them (and you) more in the long-run. The financial and emotional expense of waiting to discuss and develop a plan of action can take a heavy toll on bank accounts and family relationships. This book can help you: • understand the importance of pre-planning • identify new ways to approach having a conversation with your parents • learn exactly what to talk to your parents about and which resources are available

Serving as plan of action, this book also provides you the gift of peace of mind. Taking action and having a conversation is the first step towards knowing you did the right thing—instead of just hoping you did. Let Erin help you make a commitment to yourself and your family to have this all-important conversation.
