## **The Survey of Academic Library Subject Specialists: Psychology & Psychiatry** Primary Research Group

The study looks closely at the policies, preferences and materials purchasing plans of academic library subject specialists in psychology and psychiatry, focusing particularly on research universities and colleges that offer advanced degrees. The report presents data on overall psychology/psychiatry area subject budgets, and spending on books, eBooks, databases, journals and other information vehicles. In addition the report covers trends in prices, use of digital repositories, relations with psychology and psychiatry departments, funding and grants, the role of university presses, and acquisition plans in specific subject areas such as social psychology, experimental psychology, psychoanalysis, children's psychology and other areas.
