Uma escola para a saúde (Portuguese Edition)

Nísia Trindade Lima

Uma escola para a saúde (Portuguese Edition) Nísia Trindade Lima

O livro apresenta os caminhos percorridos na direção da profissionalização e da especialização em saúde pública no Brasil, refletindo as influências e iniciativas nacionais e internacionais na criação da Escola Nacional de Saúde Pública (Ensp), em 1954. Nesse laboratório de idéias em que se constituiu a Escola, formularam-se propostas que contribuíram para as grandes conquistas da saúde pública brasileira e que subsidiaram o processo de Reforma Sanitária, cujos resultados se expressam na constituição e no fortalecimento do SUS.

Organizado em duas partes, na primeira é apresentado um texto narrativo sucinto sobre a Ensp, desde a sua criação até os anos recentes. A segunda, traz artigos sobre temas relevantes para o entendimento da história da Ensp e de seu papel na saúde pública contemporânea.
